KILEY ADAMS

Full Stack Web Developer

Profile

I am an aspiring full stack web developer with strong interests in JavaScript/jQuery, Bootstrap/CSS, and HTML. I am passionate about helping people learn and helping clients achieve professional and personal goals through an engaging position at a company that values continuing education and team collaboration. I strongly believe and have experience in developing communication strategies on professional teams, managing time exceptionally to increase productivity, and engaging in work that challenges you on a daily basis.
